Directing

Ongoing

- Co-founder and curator of *Play Club*, a regular gathering of female directors which meets to read and discuss a different play from the Kilroy List each month in the interest of becoming familiar with emerging female writers and fostering a supportive artistic network for emerging female directors.
- Faculty member of The Dramatists Guild's *Plays in Progress* program, providing objective feedback to playwrights to help sharpen characters, dialogue, dramatic conflict, structure, etc.
- Writer of *Direct and To The Point* blog, a collection of reflections about directing, both generally as a medium and specifically as it relates to certain plays and musicals.
